RE: Access Integrated Networks, Inc. (Docket No. 99-00644)

Dear Mr. Bressman:

By Statute CLEC and IXC applicants are required to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. Because your application does not include all the necessary information, it cannot be processed at this time.

In order to assist the Staff in its completion of the investigation of Access Integrated Networks, Inc.'s application, it is requested that the information on the following attachment be provided. We will continue the application's review process once your company's filing is complete.

It is requested that the second data response be submitted no later than noon, September 27, 1999, and that 13 copies be provided. If there is a need for clarification, please contact Darrell Whitis at (615) 741-2904, extension 132, before furnishing the response.

Sincerely,

David Waddell, Executive Secretary

C: Darlene Standley
Carsie Mundy

FILE

Access Integrated Networks, Inc.

September 20, 1999

Network

1. Provide the following information concerning the network it proposes to provision in Tennessee:
 - (a) Geographic area proposed in Tennessee.
 - (b) In what cities will the switches be located?
 - (c) How Access Integrated Network, Inc.'s network will be deployed.
 - (d) Type of equipment proposed such as DMS-100, 5ESS, or Fiber rings, etc.
2. Provide information on the company's telecom engineering firm on retainer, if not, are any electrical engineers are on staff.

Financial

1. Provide current unaudited financial statements for Access Integrated Networks, Inc. including an income statement, balance sheet, and statements of cash flows.
2. Provide the cost of the proposed network, switches, or unbundled network elements (UNEs), etc.
3. Provide details of the funding for its proposed network, equipment purchases, or payment for UNEs such as (a) Internally generated funds (cash, marketable securities); (b) Letters of credit; (c) Loan commitments; and (d) Vendor credit.
4. Provide a three (3) year capital budget outlining what specific equipment for Tennessee will be deployed, where it will be deployed, and its cost. This will be for Tennessee operations, as well as for the parent company if applicable (or whoever is responsible for financing the Tennessee operation). In addition, state the sources of capital.

Toll Dialing Parity Plan

1. If Access Integrated Networks, Inc. intends to provide voice grade service, the company needs to file an appropriate toll dialing parity plan for TRA consideration at least 60 days prior to offering voice grade service.

Miscellaneous

1. Provide notarized pre-filed testimony for the CLEC application. The testimony should describe the services to be provided; the applicant's technical, managerial and financial abilities to provide the services and affirm that all information submitted are true and correct.
2. Provide a statement verifying that a tariff will be filed subsequent to the application's approval.
3. Update the company's telecommunications application status in other states.
4. Provide to the TRA a Wireline Activity Report on a monthly basis for applicants providing voice grade service.
5. Does the applicant require customer deposits? If yes, what is the amount required? Is the applicant bonded for the amount of the deposits?
6. Will Tennessee customers be required to incur any non-recurring charges to initiate service with the applicant? If yes, list these charges.
7. Provide copies of any BellSouth agreements referenced in the application.
